

Prof. Dr. Yavuz Yaman

Address: Department of Aerospace Engineering, Middle East Technical University, Cankaya, 06800 , Ankara, Turkey
Tel: +90 312 210 4285
Email: yyaman@metu.edu.tr
Website: <http://ae.metu.edu.tr/~yyaman/>

Degrees:

B.S. in Mechanical Engineering, METU, 1981

M.S. in Mechanical Engineering, METU, 1984

Ph.D. in Aeronautical Engineering, University of Southampton, 1989

Courses Taught:

Statics, Dynamics, Mechanics of Materials, Applied Elasticity in Aerospace Structures, Mechanical Vibrations, Wave Analysis and Wave propagation in Structures

Research Interests:

Statics and Dynamics of Aerospace Structures, Aircraft Design, Application of Smart Structures in Active Vibration Control, Aeroservoelasticity, Analysis and Design of Fully Morphing Aerospace Structures, Biomechanics
